

# Ramsbottom 1940s Wartime Weekend

Once again it was a real joy for us to welcome so many in to our church over the 1940s wartime weekend. As always Ramsbottom was very busy with people coming in from all over round the north west and beyond. Hats off to Ramsbottom Business group and East Lance Railway for organising another excellent events weekend.

For us it was great to meet people from both our own community and people from further afield. A number come to Ramsbottom only on this particular weekend and always come in to see us and look around our 1940s exhibition, watch the film we put on, or just enjoy a cup of tea and a chat.

One lady has been to see us specifically to watch the film the last four years on the run. We also meet many for the first time who always seem pleasantly surprised with all we've tried to do with the exhibition and our commitment to our community. We often meet Christians from other churches which is always an encouragement. We also meet people who are perhaps not regular at church but are interested in Christian things and of course we meet lots of people who have no church background or religious persuasion.

It's so sad to see such a lack of spiritual direction in an extremely troubled and in many ways confused world. We believe

the bible has a positive and relevant message of

hope and has direct answers to a hurting and broken world. It's always great to meet and chat with people from all walks of life and often share something of this message to those who are

sometimes searching for solid answers. We always welcome 'everyone' at Trinity Grace Church, whatever ethnicity, religion or background.
