Dear friends, here is the latest update on the work of *Six Thirty One: Refreshment Ministries*. Thank you for your prayerful support for this Christian charity, knowing that you are praying for us is such a blessing.

Firstly, I need to apologise to anyone who has tried to contact us by email using the link on the charity website. We noticed a problem with this and found out that AOL were blocking emails from our site, which meant that they didn't get forwarded to us. To try and remedy this we have set up another email address which is given below. To ease the change from one address to the other we will continue to run both for a while and see how that works. I will also send this prayer letter directly to you from our new email so that you can just add the address to your contacts. You might find it in your "junk" or "spam" folder. Thank you for your understanding, and do please explain the situation to anyone you know who has an interest in our work but who is not on our mailing list. If your email required a response from us, then do please resend using the new address.

Our new email address is: six_thirty_one@yahoo.com and this will be reflected on all of our literature in time. We also now have a twitter account - [@6:31Refreshment](https://twitter.com/6:31Refreshment) - and our Facebook page address is [6:31 Refreshment Ministries](https://www.facebook.com/6:31RefreshmentMinistries).

We have two pressing needs for prayer:

The provision of the funds that are necessary to purchase the property that we continue to feel is ideal for our purposes. While we are very thankful for the many people who have given not inconsiderable sums to fund our work we still need to raise a substantial sum. The answers to prayer that we have seen so far for the setting up of this charity have convinced us that the Lord truly has His hand on this venture. We are in the midst of a mass-mail shot to churches, businesses

and selected individuals to raise our profile across a wider spectrum. Please pray for these letters.

Lynn and I ceased to serve at Calvary Baptist Church at the end of March. They have graciously allowed us to remain in the manse (church house) until we are resettled. Please pray for us as we patiently wait for the Lord to move things along with Six Thirty One and as we continue to pack and wind down many of our affairs in the UK. We wait on our Father to provide for our needs, both financial and for accommodation.

If your church, fraternal, or conference would like to hear about *Six Thirty One: Refreshment Ministries* with a short presentation then do please get in touch.

Yours in Jesus Christ,

Ray & Lynn Peel
