

3rd September 2018

On the Way!

Dear friends I am pleased to share that Lynn and I are moving out to the rental property on Wednesday 5th September. We will have some things to arrange and sort before we are allowed to take guests. Please pray for wisdom for us as we anticipate getting everything started. Exciting times!

We have already had some bookings for 2019, and even one speculative booking for 2022! Please pray that the work of Six Thirty One is a blessing to our church-based Christian workers who so often are in need of a proper break away from the stress of work and the busyness of ministry. There is still a lot of availability for 2019 and if anyone feels the need of a late autumn/ pre-Christmas break then do please get in touch. (We are not taking any bookings for the period over Christmas and New Year.)

There are ongoing needs for both prayer and financial support so please remember us. Some people have pledged regular monthly amounts which is a great encouragement. If you want to do the same then we are able to supply a Standing Order form with our details that you can send to your bank. Let me both remind and reassure you that all of the money that you give will go directly to support the work of Six Thirty One: Refreshment Ministries; we will not draw any money from the charity for ourselves.

Please share the news of this charity with all those who you feel would benefit from our ministry.
