

THE MACEDONIAN CALL

Acts 16:9
“Come over ... and help us”

AFRICAN PASTORS' CONFERENCES

01 GREETINGS

By God's grace, APC now serves nearly **5,000 pastors** each year across **18 African countries!** Our 2025 theme, “Behold Your God,” has equipped pastors with sound teaching and resources that continue to strengthen their churches long after the conferences end.

“There is an ever expanding number of pastors across Africa that are crying out, ‘Come over and help us!’ We receive many of these **“Macedonian calls”** from additional countries eager for conferences, but **financial constraints** limit our response.

02 NEEDS

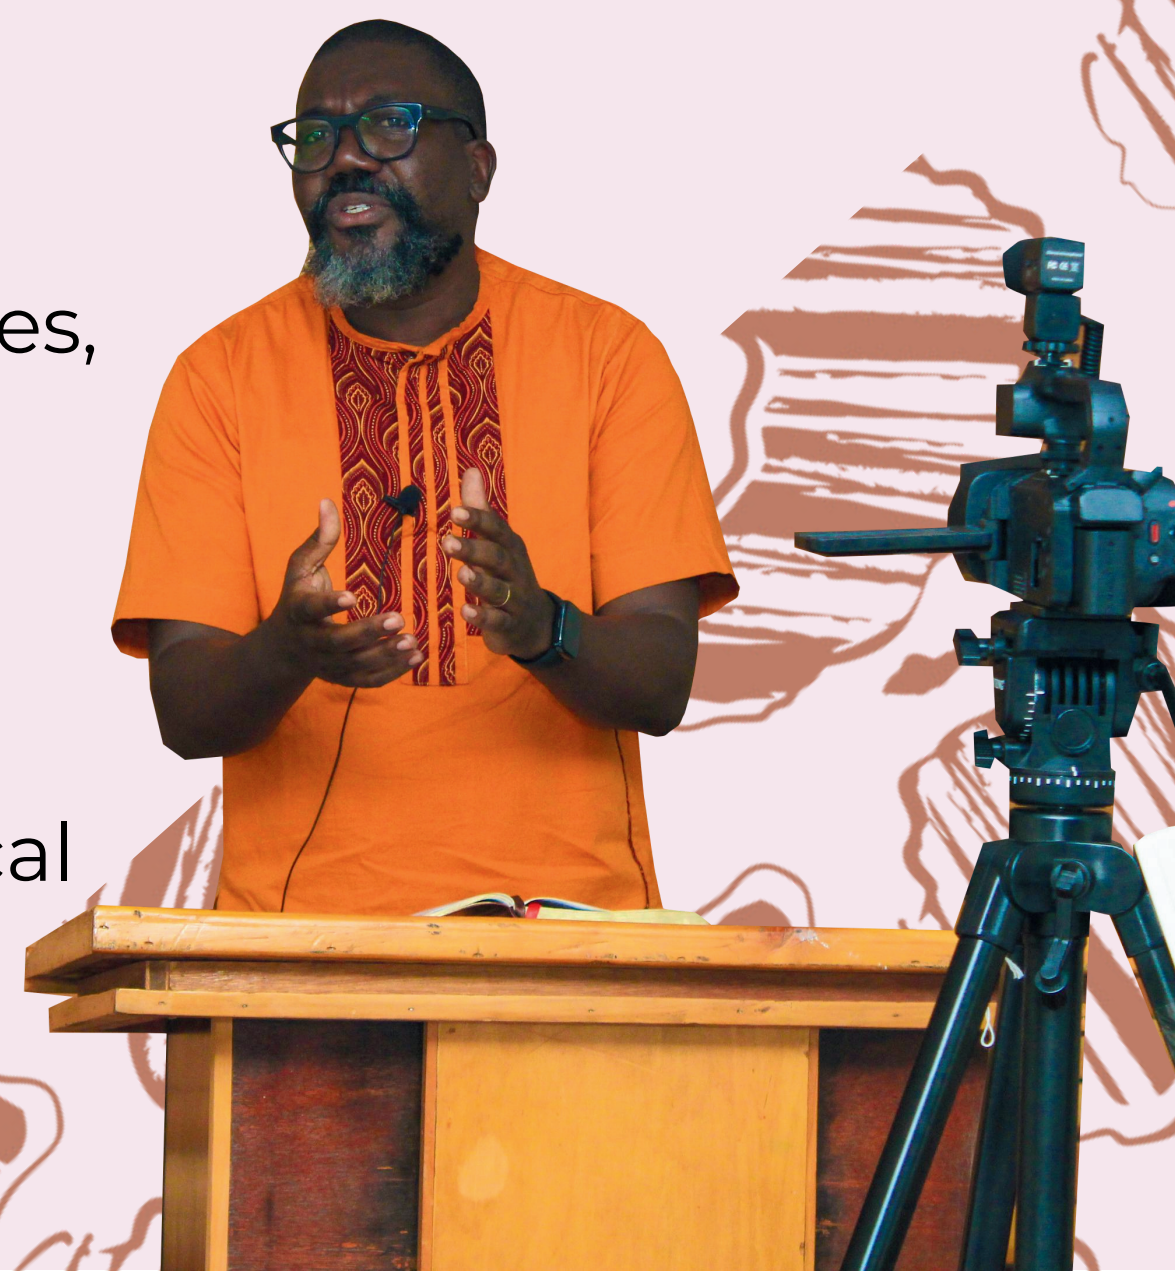

03 VISION

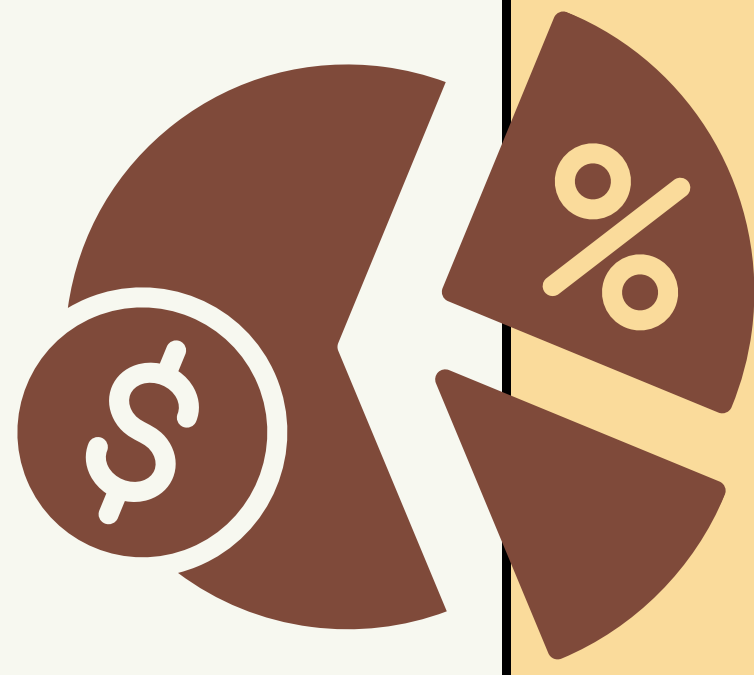

In 2026 we'll be appointing **Regional Managers** for East and West Africa. This strategic move will reduce the strain on our Johannesburg team, enabling us to reach more countries, cities, and towns efficiently. With local expertise, these managers will streamline scheduling, logistics, and cultural adaptation—ultimately **multiplying our impact for the Gospel.**

Benefits include:

- **Broader Reach:** Expand beyond 18 countries, answering calls from new regions.
- **Efficient Operations:** Local managers will handle scheduling, reducing travel strains and costs.
- **Regional Knowledge:** Staff with on-the-ground insights will result in better logistical planning and build and maintain stronger partnerships.
