TRINITY GRACE CONFERENCE

6TH & 7TH JANUARY 2023

HUMANITY & DIVINITY: THE PERSON OF CHRIST

HOSTED BY TRINITY GRACE CHURCH RAMSBOTTOM

WINTER CONFERENCE 2023

“The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.” John 1:14

There is no person more central to the Christian faith than Christ himself. Therefore, surely it is of vital importance that we know who he is in order that we might have a right relationship with him.

This January we will be looking to dive into the deep ocean that is the theology of the person of Christ. Our speakers will seek to help us to grow in our understanding, that we might love, serve and praise him more.

The Trinity Grace Conference is a conference for believers aged 16-30 who are serious about growing in their spiritual lives.

Our mission is to lead the younger generation of evangelical Christians to greater love, conviction in the faith and practical righteousness, being firmly rooted in the truths of God’s word for their own sanctification. Thereby, to build up the next generation of church members and leaders, for the greater purity and strength of local Churches in the UK, to the glory of God.
