TIMOTHY TWO Project International

Greetings from Thailand in the wonderful name of our Lord and Savior Jesus Christ

In Matthew 28:18-20 Jesus told his disciples that all authority in heaven and on earth belongs to Him, and to go therefore and make disciples of all nations. Because Jesus is Lord over sin and death and the universe, we ought to joyfully obey. Birchleigh Baptist Church sent us out as missionaries to Thailand two and a half years ago. We work with Timothy Two Project International, where our focus is on training pastors who have no or minimal theological training, providing basic teaching in systematic theology, Christian living, and church ministry. We conduct this training through workshops. We also focus on building relationships and church planting and evangelism. We all do this to glorify God and enjoy Him forever, as the Westminster Catechism states.

Roxanne landed a volunteer job at a Christian school in Chiang Rai as a kindergarten teacher. She started in August. Although there are many challenges with lesson planning and settling in, she is thoroughly enjoying the teaching and opportunity to teach the Bible to the young ones and show them Christ's love. She also recently did a presentation during an assembly with the

young ones. Nicolas also started grade 1 and is enjoying his new environment and making new friends

I finished teaching in English at a Thai high school in August and started now to teach at a Christian children's home. Many teenagers live there. I teach twice a week on substance abuse, and after that curriculum I will teach them English using the gospel of Mark as my text. ***Pray that much fruit will come of our teaching young people and children.***

We have been getting several visitors at Sovereign Grace Fellowship. This is an answer to prayer. ***Please pray that they would come back and that God would work in their lives***. We also started a Thai service once a month. I finished my

second Thai sermon last week. It was strenuous work, but rewarding. ***Pray that I also get more opportunities to preach in Thai***. We hope to eventually do more regular Thai services. Matt and I alternate preaching in English and Thai at our church during our services. During our Bible hour, we have been going through the 1689 Confession this year and are almost done. You can listen to our sermons and teachings on *YouTube.* **Sovereign Grace Fellowship-Chiang Rai**, for anyone who is interested. I also decided to make short gospel videos in Thai. ***Pray that God will use these videos to reach the Thai people. Pray that God would send people to our church***. We are thankful for our members and pray that God would help us maintain the unity of the Spirit in the bond of peace.

In September, I completed the last of

four basic workshops with Timothy Two, with a group of pastors and young men from Laos. 13 men attended. They stayed at our training center in Chiang Rai. They all got certificates, and ***we pray that the teachings we (Matt and I) gave them this year will be remembered and cherished for the glory of God and the advance of his kingdom. Pray for these men to remain steadfast in a country that is hostile to Christianity.*** In August I also did a workshop in Mae Ai, Thailand, with a group of about 30 pastors. They were from Lahu background. My topic was the church and the work and person of the Holy Spirit. Below: the group in Mae Ai.

We got invitations to do more workshops next year with Lahu pastors. I also got an invitation to teach Bible courses at a Thai Bible School part-time next year. ***Pray that I would know which to do and which to leave, as it seems there are more opportunities that I can take on***.

I plan to go to India in October for two weeks, doing three workshops with three different groups. I also get more invitations I can handle. ***Pray for me for this trip to India, for stamina, grace, and protection, and for God's blessing on the teaching***. If you would like to contribute to the expenses of my trip to India, please let me know. I also will give out some books and literature from Chapel Library in local languages in India. Greetings from Nico, Nicolas, and Roxanne **PS: We have a WhatsApp group. If you want to get more regular updates, let me know.**
