

life changing water

## PRAAYER POINTS OCTOBER 2020

“... we constantly pray for you, that our God may make you worthy of His calling, and that by His power He may bring to fruition your every desire for goodness and your every deed prompted by faith.” (2 Thessalonians 1v11)

### *Praise for:*

- God's faithfulness in protecting all our staff especially those who travel to many remote and often flash-point areas to carry out projects
- The recent grant awards from Harry Inman Charitable Trust - £2,000 and Scott Bader - £5,000
- Byencit Dala returning to work following a serious accident 10 months ago, when she was hit by a motorcycle on her way home from work

### *Pray that:*

- Our staff will continue to honour God in all that they do both in the UK and in Nigeria
- We would use every opportunity we get during our projects to share the Gospel with communities
- Our recent application to become one of Tearfund partners would be successful – announcement due anytime now.
- Nuhu Chayi's effort to raise within Nigeria part of the outstanding £30,000 for the £60,000 proposed borehole project in Vom (a predominantly Christian area in Plateau State) would be successful.
- The water project at our proposed headquarters to help our host community in their fight against the Covid-19 pandemic and other diseases would be completed soon and for wisdom on how to install the solar panels for the pump to make them “theft proof”.

- Nuhu Chayi (TASTE Nigeria Country Director) and Ben Udejiofo (CEO) would know God's will as they work towards getting a bigger drilling rig for boreholes in rock strata that the current smaller rig cannot drill through. The new rig is likely to cost in the region of £100,000

Thank you for praying for us. Feel free to call Ben on – 07737413772 - if you'd like further information about any of these issues.
