

Lancashire Reformed Baptist Fellowship

Programme 2021

Due to the Coronavirus restrictions, much of the fellowship between the churches was curtailed during 2020. However, God willing we hope to resume our fellowship for our mutual edification during 2021. However, in the light of continuing issues, we are taking the cautious approach, and not having face to face meetings until June. God willing, the situation will have calmed down by then, and we shall be back to near normal. However, it is all in the will of the Lord.

Please pray for God's blessing upon these meetings, and seek to attend where possible.

The prayer meetings are especially needful in the current climate, as we live under a government and in a society that has turned away from and against God's laws. We need to pray that God would intervene according to His great power and mercy.

Furthermore, the teaching sessions are of utmost importance. As Christians, we need to get a grip upon the law of God, and submit to it in these challenging days. The Scriptures too are undermined from many sides. We need to be clear on the truth of God's word. We also face the very hot potato of the Transgender agenda. We need wisdom from the Scriptures to know how to tackle this most relevant subject.

May God meet with us; hear our prayers; and speak to us through His precious word.

Saturday 9th January

Concert of prayer

Via zoom

Saturday 3rd April

Concert of prayer

via zoom

Wednesday 9th June

The Christian and the law - Oliver Allmand-Smith

Pemberton Free Grace Church

Sat 3rd July
