

4th. February 2023

Dear Brethren

For more than 20 years Trinity Baptist Church in Kenya has had a ministry in West Pokot in the far north-west adjacent to Uganda. This ministry has included the sponsoring of education. There are 10 primary schools that are sponsored, each one registered by the Government whose responsibility it is to provide the 10 teachers required for the 8 classes. As sponsors there is the opportunity to have spiritual impact in the schools. In no such school are there more than 5 such government supported teachers. It falls to the School Board through levying parents, and to the sponsor, to make up the shortfall. TRAIN(Kenya) in U.K. is seeking to help provide teachers in 2023 to help these schools function properly. Some photos of these schools are put below for your interest.

So we are seeking to raise up to £1,000 monthly, and already have about £300 towards that goal. We are asking you / your church to consider helping us to realize this. Please email David Smalley at david7smalley@gmail.com if you have questions or would like more information. To give please send an email to TRAINKENYA@outlook.com and you will be instructed what to do.
