

What a Year!

Hello Friend,

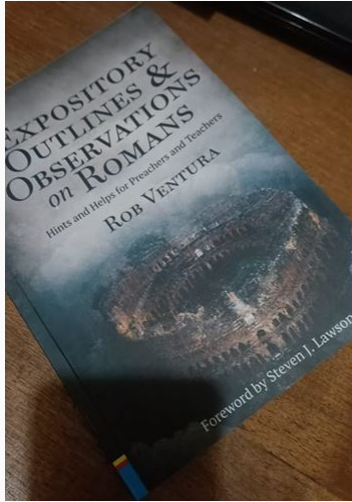

African Pastors' Conferences is grateful for another year of God's blessings as we equipped pastors and church leaders in nine countries over eleven conference runs. Our Conference Manager, Nico van Zyl, recently recorded a video showing what our ministry was able to accomplish throughout Africa by Christ's grace. You will want to watch this encouraging update!

We Reached Our Special Project Goal!

With the annual theme for next year's conferences as **The Gospel According to Romans**, we started a special project this fall to raise the funds necessary to print and distribute 3,000 copies of Rob Ventura's *Expository Outlines and Observations on Romans: Hints and Helps for Preachers and Teachers*.

*We are excited to announce that we have successfully reached **100%** of our goal!* Due to your generous gifts, we have received the R160,000 ZAR / \$8,000 USD / £6,500 GBP needed to begin printing these books. You can see a picture of the initial proof copy in this picture. Additionally, we have decided to raise the total number to 4,000 copies as we are planning a bold conference schedule next year, and these additional books have also largely been funded through your support.

We are grateful for the Lord's provision and look forward to seeing how he will use this book for His glory in the years ahead!
