

Newsletter for Trinity Grace Church in Ramsbottom

Domingos Family(João,Bell & Cisola)

Introduction

Grace and peace from our Lord and God, Jesus Christ. It is with great joy that we write this newsletter to extend our gratitude to Trinity Grace church family for your prayers and for supporting my studies at IRBS. Please find briefly what the Lord has been doing in our family, studies, and Local church, and the future plans. May this serve as an encouragement to continue praying for us.

FAMILY

We are doing well by God's grace, Last year my wife lost her father and that affected us especially my wife. This event has helped us unite and to trust God as a family. The book of Psalms has been a true comfort for us during our family worship time.

The Lord has blessed us with our dear daughter named "Cisola Ca Suku wa Tupopela(**The Love of God has redeemed us**) Josefa Gaspar Domingos," born on November 8, 2023. This is a blessing for us. Please be praying for us as we adjust to the joy and task of parenting. Pray for Cisola's salvation.

STUDIES

The Lord has been good during our studies here. My wife is pursuing a diploma in biblical counseling at Central Africa Baptista University.

I am thankful for the opportunity to study Master of divinity at International Reformed Baptist Seminary(IRBS). Thank you for supporting me in making this possible. May God bless you

CHURCH LIFE

It has been a joy to worship our Triune God here at kitwe church. We have been challenged to live godly lives and participate in the work of missions. My wife serves in ladies ministry, and the crèche. It has been a joy to see her serve Christ and his bride.

I am currently serving in the leadership team and this has been a blessing to serve Christ and his bride. My task involves preparing the church bulletin, the order of service, conducting church membership interviews, counselling, attending all the elder's meetings, teaching bible studies, preaching and working with the young Adults ministry & Children Ministry.
