

Update from Pakistan

Trinity Grace Church has received the following update from Fiaz.

Peace to You in Christ Jesus,

Today, we were invited to Ruby Memorial Church in Sialkot. The people there gave us a very warm welcome. I had the opportunity to teach the Word of God, and they were greatly impressed by our books.

A pastor, who has been serving for the past forty years, remarked, "I have not seen such books in Urdu before, and this kind of material is a great need in Pakistan."

Fifteen people received the Word of God, and along with it, we also distributed our books. We are receiving requests from various other cities as well. Please pray that we may reach those places too, so that we can continue to serve in God's work there.

May the Lord bless you.

In Jesus,
Fiaz Masih
