

# TIMOTHY TWO Project International

**Greetings from Thailand in Christ Jesus**

The last month has been eventful. We finished our last workshop in Mae Ai for the year, and I was asked to baptise a new believer. It was a tremendous joy for me and for Matt and me to complete a workshop on pastoral ministry. We also completed the last of our four workbooks in Chiang Rai with our group. In October I visited three groups in India and completed three workshops. I was received with much joy, and I pray that what we have taught the pastors may be remembered. I have had positive interactions with the men, and I hope that in the future we can identify capable individuals who could teach our workshops in other regions of India and Thailand. We were also able to hand out Bibles to pastors and new believers in India. Next year, I hope to go back to India to visit the groups in Kakinada, Eluru, and Rayagada. Also Matt and I plan to do more workshops in Mae Ai and Chiang Rai. We hope also to start a group from Laos. [www.timothytwo.org](http://www.timothytwo.org).

The pic to my left is the group in Rayagada, and the one on the bottom left is the group in Kakinada.

At our new church, Sovereign Grace, it is going well; while Matt is on furlough with his family. We had our first membership meeting recently. Roxanne and I are still busy studying Thai, and I'm amazed how much Roxanne has improved. Nicolas had bronchitis for a while but is doing better now; Roxanne is homeschooling him when we are not studying. **Please pray:** # That what we have taught at our workshops concerning God, salvation, the church, and ethics would be remembered and applied. # That God would continue to grow us spiritually and numerically at Sovereign Grace. Please pray for our language acquisition. That God would help us remember and practise Thai. **# Thank God that our visa situation is stable and for safety on my trip to India. Sola Deo Gloria. We thank you all for your support and prayers.** Nico, Roxanne and Nicolas
