

TIMOTHY TWO Project International

Greetings from Thailand in Christ Jesus

Since our last newsletter in November, we had the privilege to celebrate New Year and Christmas with family in Texas. It was our first time there in three years since we've been there in 2022. We have returned after three weeks and resumed our studies at the Thai language school. I have begun to read in Thai and feel I have a greater handle on the language now, albeit my speaking can improve a lot. I am thankful that Roxanne and Nicolas speak Thai with more confidence as well. At Sovereign Grace Fellowship we are delighted that three more missionaries are regularly attending our services, and we hope to start a men's group soon and a few outreaches. We enjoyed a visit from Steve Curtis, the founding director of TTPI, and Pastor Raegan Marsh and his wife, Kara. **Continue to pray for our Thai Bible study Matt is leading and for our regular**

services where we continue in Matthew 26. We hope to start preaching through the book of Genesis soon, and we are also teaching through the 1689 Confession during our kids' Sunday School and Bible Hour every Sunday. **Pray that there will be much fruit because of these.** We plan to do 4 workshops in Mae Ai this year and 4 in Chiang Rai. We will work with the same group of pastors in Mae Ai as last year, and the one in Chiang Rai will be a new group of pastors from Myanmar. Wichai will translate for us into Lahu. **Please pray for Matt and my preparations for the workshop in Mae Ai. We are teaching through Romans 1-8 in February. Continue to pray for Matt and his family's visas.** They hope to apply in April for a 5-year visa. **Pray for Roxanne as she continues to homeschool Nicolas, but also for wisdom.** We want to put Nicolas in a Montessori school so his Thai can improve. **Pray for our witness as a church, that God will help us to be salt and light in Thailand for God's glory.** I also plan to do two trips to India this year; **pray that God will lead me when to go.** We thank God regularly for all your support and prayers.
